CAMP 1945

Holiday Enjoyment

GOLDEN CAREFREE DAYS

- The dinghy full sail in a lusty breeze.
- Trail riding thru shady woods and over sunny slopes.
- Idling in a canoe on a mirrored lake.
- Hearing the thud of an arrow cutting the gold.
- Keeping your eye on that illusive golf ball.
- Thrilled with the gay articles made in handicraft.
- Choosing your own programme of leisure or activity.

Dear Camper:-

We are having our Camp Reunion on Friday, March 23rd, at 8 o'clock, and we would like to extend a special invitation to you to join us at our party.

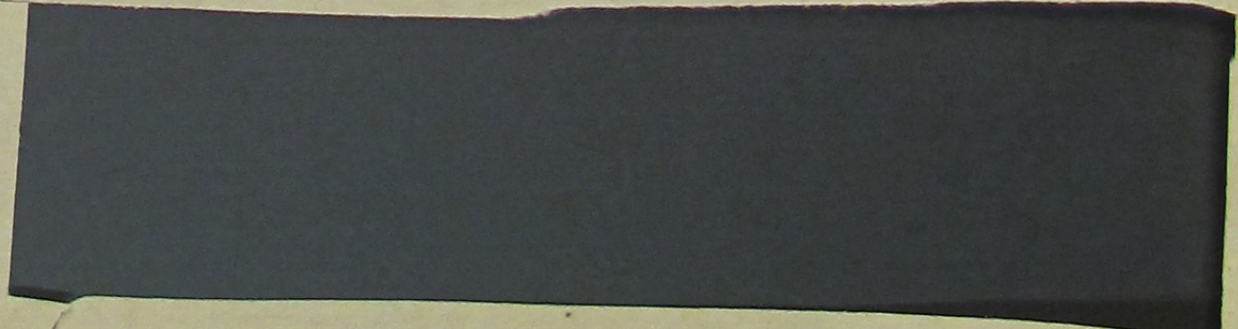

It will be cabaret style,- not wearing the gorgeous designs of camp formals, but business dress will help everyone to be ready to drop in at 8.00 sharp.

A floor show, dancing, and gay reunions with your old friends will make it a gala evening.

The counsellors are all looking forward to seeing you again, and I shall be particularly happy to meet the old and new friends I missed so much while Overseas last summer.

Do let us know if you can come to our Reunion!

Yours very sincerely,

Dear Bess,

Thank you for your very interesting letter and your card and most of all for your kind invitation to visit you at Killarney. I'm sure from all I have heard that it must be a rarely beautiful place and I'd like so much to see more of Canada's north land but alas, I seem to be tied here very securely until the 13th of September which will come all too soon. I hope you will be on the job for the 15th with a lot of clever new ideas regarding the work this fall. I'm trying to get the booklet ready while I'm here so that we can start our advertising early.

We had a very successful summer so far this year. Crowds of girls and apparently all having a very good time. There were 140 in camp over the August holiday and I hope will have as many for Labor day. The kitchen staff are working very

nichly and despite the crowd seem to finish their work in record time. We have a new riding teacher a Mrs Harrison, who is very musical and charming.

Our staff is as good as ever ever had. and they work well together which is a great deal.

I'm glad you're gleaming such a lot for Camp Fire. The girls who have been out here this year have won several nature honours, were going out today to hunt ferns & mosses.

Will you please send me Monna's London address. I want to find out her plans for fall. If you know anything about her doing please let me know.

Hope you're lots of rain — mine dried up.

Affectionately yours,

Anne L. Hodgkins.

Dear Ber. I tried several times to reach you by phone before I left but you were either out of town or out of the college. I wanted you for our May Festival - no luck! When do you go away for the summer? I shall be home July 30th and would like to see you then.

Club opens around Oct 1st I wish you would be ready to come on the job about Sept 15. Thinking things over it seems best to me to leave the salary at \$1200 and I'll get someone for senior dancing besides. Will talk over schedule when I see you. There are lots of things I'd like to have you do besides teach - will put you on for 10 months = \$1200. That will leave June + 1/2 of July for training. I'll write again later. Anna Hopkins
